

CAMERAS & MOBILE PHONE CAMERAS POLICY

In order to protect the Club's security, Club patrons and our employee's privacy, and in light of ongoing changes in technology, the Club prohibits the use of cameras and mobile phone built-in cameras in all toilets, locker rooms and the gaming lounges of the Club.

Patrons and employees are encouraged to alert management by dialing extension 230 from any in-house phone if you observe mobile phones or cameras being used inappropriately.
